

SAFE SANCTUARY POLICY

Child Abuse Prevention

Chippewa United Methodist Church

Approved by Administrative Council:

Chair - Judy Enslin

Date – September 28, 2015

Introduction

The General Conference of The United Methodist Church, in April 1996, adopted a resolution aimed at reducing the risk of child sexual abuse in the church. The adopted resolution includes the following statement:

Jesus said, “Whoever welcomes [a] child... welcomes me.” (Matthew 18:5). Children are our present and our future, our hope, our teachers, our inspiration. They are full participants in the life of the church and in the realm of God.

Jesus also said, “If any of you put a stumbling block before one of these little ones..., it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea.” (Matthew 18:6). Our Christian faith calls us to offer both hospitality and protection to the little ones, the children. The Social Principles of The United Methodist Church state that “children must be protected from economic, physical and sexual exploitation, and abuse.”

God calls us to make our churches safe places, protecting children and other vulnerable persons from sexual and ritual abuse. God calls us to create communities of faith where children and adults grow safe and strong. (From The Book of Resolutions of The United Methodist Church-1996. Thus, in covenant with all United Methodist congregations, we adopt this policy for the prevention of child abuse in our church.

All information collected should be maintained in confidence.

Employment Application: All paid staff must complete the Employment Application.

- Application includes a statement, which the applicant should acknowledge in writing, certifying that statements provided in the application are true and complete, and any misrepresentation or omission may be grounds for rejection of the applicant or for dismissal if he or she is employed. This statement authorizes Chippewa UMC to contact any individual or organization listed in the application.
- Authorization and waiver of any right to confidentiality or to pursue damages against the church caused by a references response.
- An interview of qualified applicants will be conducted.

Clearances: All paid church staff and adult volunteers working with children and youth are required to get the following three clearances before beginning employment or volunteer work:

In some situations this rule and may be waived only by the senior minister or designee, with the volunteer only being permitted to work alongside an established children/youth ministry volunteer until he/she meets the six month attendance requirement.

All information discovered or obtained through the above referenced means will be kept in a secure location and access to it will be restricted if possible. Anyone who has had a child abuse conviction or expungement, as well as anyone refusing to sign the covenant form will not be permitted to work with children.

II. PROCEDURES FOR OUTSIDE GROUPS USING CUMC WHO WORK WITH CHILDREN AND YOUTH

- The Safe Sanctuary Policy will be given to all outside group leaders to review the church's policies and procedures for the prevention of child abuse. (Groups include but not limited to: Boy Scouts, Girl Scouts, Sports teams, school bands)
- Leaders of the group must sign a covenant to abide by the church's policies and procedures.
- Outside groups must communicate to church officials for verification the screening and training procedures used by the group for the prevention of child abuse.

III. PROCEDURES TO INSURE THE SAFETY OF CHILDREN AND WORKERS

Staff and Volunteer Identification

- Paid employees and volunteer workers will wear a name identification tag when participating in ministry with children and youth.

Two Adult Rules

- CUMC will strive to have no fewer than two adults present during any church sponsored program, event, or ministry involving children or youth. A concerted effort will be made to recruit a sufficient number of leaders and helpers to insure such staffing. The following guidelines will be used in relation to this rule.
- Ideally, the two adults will not be related
- Adult "roamers" will move around the building on a regular basis to check on the activities and the classrooms.

- We will stress to community groups using our facilities that two or more adult leaders need to be present with their group.
- Two classes will be combined, if practical, if no adult leaders can be found for a class. A posted notice will inform parents where to pick up children.
- Children in the Nursery through 5th grade should not be dropped off in a classroom without a teacher present. A parent should stay with the child until supervision arrives.
- Will release minors only to a parent or guardian and utilize sign-in and sign-out sheets.
- Will use two paid staff or volunteers when transporting minors in vehicles.
- Will encourage minors to use a “buddy system” whenever minors go on trips off Chippewa UMC property.

Parent Pick Up/Child Release Authorization

- Children in Nursery through Fifth grade should be picked up at their classrooms after an activity by a parent or a person designated in writing by the parent.
- Release authorization may be given for those children in grade 5 whose parents desire they be released independently
- In the case of a guest student, the teacher or director of the activity will ask the parents their pick-up/release preference for their child.

No Workers Under the Age of Eighteen

- An approved adult is anyone 18 years or older who has completed the worker application process. No one under 18 can supervise children, they can be considered helpers.

“Five Years Older” Rule

- Paid Staff and Volunteers who work with children and or youth in a supervisory position are required to be at least five years older than the children and or youth they are leading. Volunteer leaders, student leaders, and interns who are not five years older than the youth they are working with will be considered “in-training” and under the supervision of the Ministry Director.

Open Classrooms

- Classrooms or child care rooms will be visited by church staff or volunteer ministry directors to insure that the classrooms are being properly supervised. Parents are welcome to visit the classrooms at any time.

Storage and Utility Room Doors Are Locked

- Storage and utility rooms throughout the church will be locked and access provided only to appropriate staff or adult workers.
- If access is needed to any of these rooms and the staff person in charge is not available, the volunteer should go to the church office. Office working hours Monday through Friday from 8:00am to 5:00pm. If the office is closed the volunteer will need to see one of the church custodians.

Door Windows

- Only classrooms with windows in the doors will be used for children and youth activities. Sight lines through the windows should remain unobstructed at all times.

Advance Notice to Parents

- Notice will be given in advance to parents/guardians with full information regarding the event(s) in which their children will be participating. (E.g. leaving the church property or a trip requiring special clothing.)
- A written permission form must be signed by the parent or guardian before the child can participate in the event or activity.

- A medical release and information form must be filled out and signed by a parent or guardian for trips (of significant length) off the church property.
- A Participation Covenant for trips reminds everyone that Safe Sanctuary standards are still in place.

Appropriate Interpersonal Boundaries

- All paid staff and volunteers will observe the following guidelines:
- Do not provide alcoholic beverages, tobacco, drugs, contraband, or anything that is prohibited by law to minors.
- To the extent possible, Chippewa UMC events that are co-educational will have both male and female chaperones.
- Whenever possible, at least two unrelated paid staff or volunteers will be in the room when minors are present. Doors will be left fully open if one adult needs to leave the room temporarily and during arrival to the class or event before both adults are present. Speaking to a minor or minors one-on-one should be done in public settings where paid staff or volunteers are in sight of other people.
- Avoid all inappropriate touching with minors. All touching shall be based on the needs of the individual being touched, not on the needs of the volunteer or paid staff. In the event a minor initiates physical contact and /or inappropriate touching, it is appropriate to inform the minor that such touching is inappropriate.
- If you recognize an inappropriate relationship developing between a minor and adult, maintain clear professional boundaries and refer the minor to another individual with supervisory authority.
- If one-on-one pastoral care is necessary, avoid meeting in isolate environments.

Open Door Counseling

- At counseling sessions with children or youth a room with a window will be used and the door should remain slightly open. The session should be conducted when others are nearby and another adult in the building should be informed of the time frame of the session.

Limited Counseling Sessions

- When a youth seeks counseling, determine at the initial meeting if you are actually qualified to meet their needs, if you do not believe so, refer them to another counselor. If you do agree to counsel a youth, agree to two or three sessions, and then refer them to another counselor if the problems have not been resolved.
- Adult workers or helpers must be attentive to appropriate dress codes and use of language.

Off Site Church Sponsored Ministry

- All church groups holding church sponsored ministry events off site of church property must abide and follow the church Safe Sanctuary policy. This includes but is not limited to home based Bible Studies, Discipleship Ministry groups, women's and men's groups, etc.

Appropriate Equipment and Supervision & Safety

- Arrange for the ministry to take place in an appropriate setting. If traveling off of the church property, plan ahead for traveling arrangements, hotel rooms, camping areas, etc. in regard to the Safe Sanctuary policy.
- Youth should never share a sleeping room with adult workers unless they are family members.
- Adult workers should know how to safely operate any equipment that is needed. When activity requires some specialized equipment, the equipment should be selected to suit the participants and the activity and to include appropriate safety and program features. No youth under the age of 16 will be permitted to use industrial

tools such as but not limited to power saws or utility knives unless written permission is granted from the parent/guardian of the youth.

- Tool usage will be under the direct supervision of the adult worker.
- Adult youth workers must assure that every participant has and uses the appropriate personal safety equipment. For example, activity afloat requires that each participant properly wear a life jacket; bikers, horseback riders, and whitewater kayakers need helmets for certain activities; skaters need protective gear; and all need to be dressed for warmth and utility as the circumstances require.
- For most activities, common-sense procedures and standards can greatly reduce any risk. These should be known and appreciated by all participants, and the supervisor must assure compliance.
- Every activity has a minimum skill level, and the supervisor must identify and recognize this level and be sure that participants are not put at risk by attempting any activity beyond their abilities.

Restroom Policy

- Adult supervision will be given children Nursery age through Kindergarten.
- When assisting a child in the bathroom the volunteer should not close the door completely, but privacy should be respected. The volunteer will stand outside the restroom but within hearing distance of the child.
- When assisting children with clothing, the volunteer will stay in view of others so they can see what is taking place.
- Adult leaders of other age group children should use their own judgment about escorting a child to the restroom.

Classroom Discipline

- All teachers and workers will use the following discipline measures:
- Never engage in physical discipline of a minor. Volunteers or paid staff shall not abuse minors in any way, including but not limited to physical abuse, verbal/mental abuse, emotional abuse and sexual abuse of any kind.
- If a child is behaving inappropriately the teacher or worker will tell the child specifically what he/she is doing that is not acceptable and state what the expected behavior is. Example: "We do not throw the blocks. We use blocks for building."
- If this measure is not effective the child will be guided to another activity.
- If inappropriate behavior continues, the child may be placed away from other students to work or play but will be appropriately supervised.
- If the child's disruptive behavior continues after these steps have been taken, the child may be taken to the Director of the Ministry in which the child is participating for supervision as long as one other adult or helper is present.
- If isolating the child within the classroom or removal of the child from the room becomes necessary the situation will be discussed with the child's parent or guardian (as soon as possible.)
- At no time during the disciplining child's disruptive behavior shall physical punishment, verbal abuse or ridicule be used.

Transportation

- Drivers who transport children for church related activities must be at least 21 years of age, have a valid driver's license for the type of vehicle being driven and have current motor vehicle insurance coverage.
- Proof of these criteria will be requested and placed on file.

- All state laws and regulations need to be observed when transporting children and youth. The National Highway Traffic Safety Administration has issued guidelines for the use of passenger vans.
- Approved volunteers (18-21 years of age) who work in the Youth Ministry may transport youth for contact work with written permission of a parent or guardian.

Accident / Incident Report Forms

- Workers supervising children and youth are responsible to fill out an Accident Report / Incident Report when a child has been injured or an incident has occurred.
- When an accident or incident occurs the parent shall be notified promptly. The parent will be given a copy of the Accident / Incident Report form to communicate clearly what has happened.
- A copy of the form should be turned into the Ministry Director who will file it.

Annual Orientation and Training for Workers

- All workers with children and youth (paid, volunteer, part-time, full-time, clergy, or lay) will be required to attend a yearly Safe Sanctuary orientation and training session. At this session workers will be informed of the following:
 - Church's policies for the prevention of child abuse.
 - Procedures to be used in all ministries with children and youth.
 - Appropriate steps to report an incident of child abuse.
 - Details of the state laws regarding child abuse.
 - Additionally, they will be asked to renew and sign their covenant to abide by and cooperate with the church's policies and procedures.

Parent and Family Education

- Safe Sanctuary education events will be provided regularly to accommodate new members and new parents or visitors.
- A printed copy of the church's Safe Sanctuary Policies and Procedures will be available on the church website and in the church office for anyone who wishes to read it.

Insurance

- The church will work with our insurance agent, *Church Mutual*, to secure adequate coverage for the scope of our ministries including coverage for abuse of children or youth.

IV. Social Media -

Social Networking Sites-Relationship and Group status

- Adults should not submit "friend" requests to minors or youth. Youth may request friendships with adults, and adults should discern the level of contact they want to maintain with youth prior to responding to these requests.
- When and where available, authorized youth workers may choose to create separate private and professional profiles on networking sites to create a line of privacy.
- If an authorized youth worker chooses to accept friend requests from minors or youth that are associated with the congregation known as CUMC, we recommend that other youth workers (within the congregation) have full access to the professional youth worker's profile and correspondence.

- Authorized youth workers who choose to accept friend requests from minors or youth should use all privacy settings applicable to shield youth from any inappropriate content that may exist within the authorized youth worker's profile.
- All youth and adults should be informed that any communication that is sent via digital means (email, social networking site notes or posts, etc.) is not confidential and may be reported or shared with others.
- We strongly recommend "closed" groups, but not "hidden" groups be used for Fellowships/Youth groups. These groups should have both youth and adult administrators.
- Fellowships/youth groups should decide within their covenant whether or not their social networking site groups are open to parents of current members.
- Covenants should be created to govern what is appropriate and inappropriate content to be placed and displayed in the online group for a Fellowship/Youth group.
- Any inappropriate material that is not covered by "Mandatory Reporting" laws should be deleted from the site. Any material that is covered by "Mandatory Reporting" laws should be reported to the clergy, documented for church records, and then deleted from the site.
- Any content that details inappropriate behavior (outside of the bounds of the established covenant) during a church sponsored event or activity should be addressed by authorized youth workers and parents.
- Parents should be informed that content that appears on youth pages or groups that are not sponsored by the church are NOT within the purview of authorized youth workers.
- Adult members of the congregation who seek religious or spiritual advice from the clergy via digital means (email, social networking site posts, etc.) should be informed that their communication is NOT confidential. Use of digital means to communicate nullifies confidentiality.
- When and where available, clergy are encouraged to consider creating a personal and a professional account to maintain appropriate boundaries with members of their congregation or other members of communities of faith.
- Clergy should consider the impact of declining a "friend" request from their church members. These encounters may create tension in "real world" relationships.
- Clergy who work directly with youth are encouraged to establish church sponsored digital communications groups to maintain contact with youth members.
- Clergy are encouraged to use privacy settings to shield both adult and youth members from viewing content that may be inappropriate.

Transitions

- Clergy who are leaving a specific ministry setting (congregation, cluster youth ministry, association, conference) should refrain from offering pastoral care through digital communication after the END date of their contract/call/covenant with the church.
- Former youth members and adult leaders of youth groups, due to departure, removal or loss of eligibility (aged out of a program) should be removed from digital communication youth groups (Facebook groups, list serves, etc.)

Digital Covenants

- All church sponsored web sites will have at least two paid church staff Administrators who will monitor the web sites.
- It will be acknowledged that materials posted on any church sponsored sites (and or group pages) are not CONFIDENTIAL.

- Any content deemed inappropriate by web site Administrators will be removed from church sponsored web sites or group pages.

In Addition, the following points will be acknowledged:

- a) All church sponsored web sites will maintain appropriate language.
- b) All members of a church sponsored web site will be approved by the web site administrator.
- c) Individuals may tag themselves in photos but will not tag others
- d) Photos deemed inappropriate behavior (bullying, pictures that depict abuse, violence, sexual acts, etc.) will be not be tolerated and will be deleted.

Video Chats, Blogs or Video Blogs

- Adults will refrain from initiating video chats with youth.
- Participants in a video chat or blog should consider what will be shown in the video such as their surroundings, their clothing/state of dress, etc.
- All transcripts of on-line text chats, video chats, blogs or video blogs should be saved when possible.
- All clergy and authorized youth workers should consider the content and nature of any post that will be read by or visible to youth. Your voice is often considered the voice of the church, and your content may be viewed as church policy.

Publishing/Posting Content Online

- The church staff in charge of any church sponsored activity should take care to secure signed Media Release forms from adults and guardians of minor children who will or may participate in activities that may be photographed or videoed for distribution.
- Videoing of congregational services or activities on the web or via other broadcast media MUST post signs that indicate the service will be broadcast. Congregations are NOT considered PUBLIC space and therefore must inform participants when they are being videoed.
- Photos that are published on the church sponsored web sites should not include name or contact information for minor children or youth.

Email or Texting (Includes Twitter)

- Email/Texting is not an appropriate communication method for matters that are pastorally or legally sensitive, emotionally charged or require extensive conversation.
- Humor and sarcasm can be easily misinterpreted in an email/text message.
- All email/text users should take a moment to consider the ramifications of their message before clicking on the “send” or “reply to all” button.

V. POLICY FOR REGISTERED SEX OFFENDERS

Purpose: Chippewa United Methodist Church accepts as central to its mission the establishment and maintenance of a safe and caring environment for every child of God, not the least of which are minor children. At the same time, Chippewa United Methodist Church remains a place of grace for all sinners, including those whose crimes are public.

Knowing that children do not yet have the ability to protect themselves, and are therefore at particular risk, we determine to provide heightened protection for them by carefully monitoring any known registered sex offender (an “RSO”) who participate in the life of the congregation, whether on or around church property or while participating in official church activities off-site.

God’s grace has been extended to all. Grace invites repentance, and repentance requires acknowledgement of sin, sorrow for sin, and a turning away from sin, all with the support

and prayers of God's people. Believing this, and while remaining faithful to the protection and safety of our children, we establish the following policy with regard to the presence and participation of RSO's in the life of the congregation.

1. For purposes of this policy, an RSO is any individual, male or female, who has been convicted of a crime involving a sexual act, where federal, state or local laws require them to be placed on a public, sexual offender registry after they have served their criminal sentences or when they have been released on parole.
2. Upon learning of an RSO's desire to participate in the life of the congregation, the Pastor(s) and the Chairperson of the Safe Sanctuary Committee (the "Chairperson") shall meet and confer about obtaining a written release from the RSO in order to ascertain such information as, for example, the nature of the RSO's offense(s), the name of the RSO's probation officer, whether or not the RSO is presently under the care and treatment of a mental health professional, whether admitting an RSO into the life of the congregation is an event that must be reported to the church's insurance carriers, whether one or more of the RSO's victims is a member of the congregation, and such other facts as are, or may be, relevant to the decision of whether or not to admit the RSO into the life of the congregation (an "RSO Inquiry").
3. All information obtained through an RSO Inquiry shall remain confidential as between the Pastor(s), the Chairperson and any professional whose advice and counsel they may seek as being necessary or desirable to the RSO Inquiry.
4. If, in the sole discretion of the Pastor(s) and the Chairperson, the RSO Inquiry either (1) fails to uncover sufficient information as would lead a reasonable person to conclude that it is prudent to invite the RSO into the life of the congregation, or (2) discloses information that would lead a reasonable person to conclude that it would not be prudent to invite the RSO into the life of the congregation, then in either event the RSO shall not be invited to participate in the life of the congregation at that time.
5. If deemed necessary or desirable by the Pastor or Chairperson, an RSO Inquiry may remain ongoing or be updated from time to time, even after a particular RSO is invited to participate in the life of the congregation, in order to determine whether the status of the RSO as a participant or non-participant in the life of the congregation should be re-evaluated and/or changed.
6. If, after an RSO Inquiry, the RSO is invited to participate in the life of the congregation, then prior to entering onto church property, having any contact with the congregation or participating in any official church activities (on or off site), the RSO must agree, in writing, to strictly abide by each of the following requirements for participation in the life of the congregation (collectively, "RSO Procedures"):
 - At all times while the RSO is participating in any official church activities (whether on church property or off site), the RSO shall be accompanied by a chaperone selected by the Pastor(s) or Chairperson. Male RSO's shall be accompanied by an adult male chaperone, and female RSO's shall be accompanied by an adult female chaperone.
 - The RSO shall not have contact of any nature with any children (other than his or her own child(ren)) except in the presence of a chaperone.

- Notwithstanding anything in this policy to the contrary, the RSO shall not enter into the education wing, youth house, or other areas where children's and youth activities usually take place, even if the RSO is accompanied by a chaperone.
 - The RSO must be actively involved in one or more treatment programs with a licensed and qualified mental health professional until such time as the mental health professional writes a letter to the church opining that in his/her professional judgment, the RSO is no longer benefitting from such treatment and giving the basis for such opinion.
 - The RSO shall abide by parole, probation, personal protection orders, bond conditions and any other court-imposed conditions, as well as all other generally applicable rules and policies of Chippewa United Methodist Church.
 - The RSO shall not access any church computers, smart phones or other internet-accessible devices, and shall not take any photographs.
 - Failure of the RSO to strictly abide by each of the foregoing rules shall constitute grounds for immediately terminating the RSO's participation in the life of the congregation.
7. Nothing in this policy is intended to be or shall be construed as conferring any legal or other right on an RSO who has been invited to participate in the life of the congregation to continue in such status indefinitely as a matter of right. To the contrary, at any time and for any reason, the Pastor(s) may, in his/her/their sole pastoral discretion, require an RSO to dissociate from the congregation.
 8. This policy does not address admission into the life of the congregation of an individual who is not an RSO but who is suspected of, been charged with, is under investigation for or who otherwise has not been found guilty in a court of law of, one or more offenses which, after conviction, would result in such individual becoming an RSO. The request of any such individual to participate in the life of the congregation shall be evaluated on an ad-hoc basis by the Pastor(s) with the advice and counsel of the Chairman and any other professional whose advice and counsel they may deem necessary or desirable.
 9. The protection and safety of all who participate in the life of our congregation, particularly children, is paramount. Therefore it is the legal, moral and ethical obligation of all members of the congregation to promptly report any known or suspected violations of this policy, as well as any instances of sexual harassment, unwanted sexual advances or inappropriate sexual behavior of any kind to the Pastor(s) or the Chairperson.
 10. Notwithstanding any privileges granted to an RSO by this policy, nothing in this policy is intended to relieve any RSO of any obligation, restriction or condition with which such RSO is obligated to comply by virtue of any law, rule, regulation or order of court.
 11. This policy shall be provided to all new members of the congregation, and any updates to this policy shall be made available to the congregation as and when they are made.

These procedures represent the minimum requirements to be observed. Individual programs and ministries may impose additional guidelines appropriate to their programming to insure the safety of our children and workers.
