Mission for November

8th Avenue Place . . .

is a Christ community that confronts ignorance which perpetuates racism by living and ministering together in the name of Jesus Christ. In a spirit of Christian unity, they seek to be a witness to the entire Steel Valley and beyond to the love and power of Jesus Christ. That witness could include; having a cup of coffee with a stranger until they become a friend, helping a child develop a love for reading, serving and eating a meal with our friends from Homestead, and worshipping the Lord with others from across Western Pennsylvania. Their message is that God has given us the ministry of reconciliation and we will work to show that as Jesus, God is for us and not against us. Therefore we must be for each other, seek to equip and empower individuals within the disadvantaged neighborhoods, develop lasting relationships, and through dedication and collaboration create a community where youth and their families thrive. They preach the gospel of Jesus Christ and watch the Lord redeem lives, build leaders, and transform communities.
