“Glory to God who is able to do far beyond all that we could ask or imagine by his power at work within us!” Ephesians 3:20

Blast off with us **To Mars and Beyond** where we will help kids discover the wonders of God's universe. They'll become Voyagers on a journey through space, exploring where God's power can take them. Students will begin their space journey in the Mars Assembly outpost where they'll lift off to distant planets on special missions. Along the way, they'll learn how God walked with heroes of the Bible, and that God is always with them, too. Add to the adventure with out-of-this-world fun, learning, and timeless Bible stories that inspire kids to give glory to God, who is able to do far beyond all that we could ask or imagine!

One small step for your kids . . .
 one giant leap for God's Kingdom!

To Mars and Beyond VBS at CUMC is a free program available to all children in the area and surrounding communities. All pre-registered participants by June 3 will receive a VBS t-shirt and each family will receive a music CD. We can't guarantee t-shirts and CDs to registrations after June 3. Please share the news with neighbors and friends.

VBS Mission

Go beyond with kindness.

The Good Samaritan helps a fellow traveler!

Boys & girls will be encouraged through friendly competition to daily bring in coins to deposit in mission containers. Money collected will be sent to the United Methodist Committee on Relief (UMCOR) to purchase Hygiene kits that provide basic necessities to people who have been forced to leave their homes because of human conflict or natural disaster.
