

HERE WE GO...HERE WE GROW... BUILDING FOR CHRIST!!!

Can you imagine inviting guests to your place only to find that in all of your preparations you did not have enough room???????

That happened on the night of the Vacation Bible School closing. We made preparations...a big tent at Dream Corner, using the inside of Dream Corner...And then it happened....100s of parents, grand parents, so many that they would not fit under the big tent (and we mean big tent)...200 plus kids who came up from the sanctuary building to share in the program....What if???? What if it would have rained?? We would have been in BIG TROUBLE!!!!!!!!!!

God provided a great night....That is why we are working hard on moving into the future phase of our expansion. Bricks & Mortar are working on Phase I of the Community/Family Life Center...plans and ideas soon will be brought to the church family. In the mean time we are paying off the debt of the property that we have purchased. So where do you come in??? We need your prayers, your help and your gifts for Here We Grow....We have many more events planned this summer in which we could us your help and your prayers as well as a Community/Family Life Center. God is calling us forward as we continue to be the church of Jesus Christ.
