

HERE WE GO...HERE WE GROW...BUILDING FOR CHIRST!!!

WE HAVE BEEN BLESSED IN THIS CHURCH FAMILY to have a vision & passion to grow in the name of Christ. We have purchased several pieces of property in the past years to enable us to get to this point in the history of our church. This point is to take the next step in ministry and building.

We have just been blessed with an addition of the former Haddad property that is the final piece of property that was part of this vision for the past years. NOW GOD HAS PUT US IN A POSITION that we can begin to work on the next step. Our Bricks and Mortar Team is working hard behind the scenes to bring you, in the months to come, the plans that will take us to the next step. In the meantime we continue to ask you to support the Here We Go...Here We Grow...Building For Christ with your prayers, your help and your gifts to bring down the mortgage. If you need Here We Grow envelopes, stop down in the narthex or call the CUMC office at 724-843-4828.

PRAYER CARDS: You are invited to use the pink intercessory prayer cards to send a note of encouragement or concern to a special person. Please pass it to the end of your pew and the ushers will collect them during the silent meditation. The office will mail it this week.

We need donations for flood buckets desperately! These supplies enable people to begin the overwhelming job of cleaning up after the floods or hurricane particularly in the Mid-West. Each bucket is valued at \$45. The cost of shipping and handling for these buckets is rising, so it is much more cost effective to send the money to UMCOR to enable them to purchase the supplies needed for these buckets. Please donate by either dropping the cash in the bucket in the Narthex or by using the envelope in the pew and writing on it for UMCOR Flood Buckets. Thank you.
