*The Measure of a Man study is a time for men learning the biblical insights on how to be Godly men at home, at work, at church and in the community. Dr. Gene Getz, Sr. Pastor of Fellowship Bible Church in Glendale California is the author of this outstanding study. Each week the study will include a teaching video segment, group discussion and a workbook with personal reflections.*

*The only fee is cost of \$15.00 for the workbook. If you have previously attended this study and would like to join this study again, you are welcome to attend (you can use your same workbook) and it would be great if you could bring a friend.*

**Thank You**
