**Prayer Room Following Worship Services**

There will be someone from the Prayer & Witness Team in the Prayer Room following our Sunday Morning 8:30am & 11:00am Worship Services to pray with anyone who might have a need to pray.

Dear Chippewa UMC Family: Now that it has been decided that the current Dream Corner buildings are staying in place, we desire to make a “SURGE” this Christmas break to make them a more effective ministry tool.

One of our major goals after Christmas break is to be able to split JR. & SR. High into two separate groups which will meet on separate nights. In order to do this we will also need to remain at Dream Corner for our entire meeting. And, to do that we must upgrade the facilities. We will need to add sound, multimedia, and lighting. Not to mention about 80 stacking chairs that will be needed for the teens to sit on.

Also, our current restroom facility is not adequate– most girls will not even go into that strange, furnace, storage, bathroom space we have at the DC. This is the other area of Cream Corner that desperately needs our attention. We desire to use the left downstairs area to make a separate boys and girls bathroom-one which will also be handicap accessible.

Please consider some generous year end giving to help make this possible. Please use the tear off sheet below to designate a gift toward this project. Any size donation would be greatly appreciated. Mail to office or place in offering plate.
