Everybody has a script...
- The script has failed.
- Our physical, mental, moral and spiritual health depends on disengaging from and relinquishing the failed script.
- The entry point says, Breggemann, into this counterscript for our lives is baptism.
- We live by a script.
The script has failed us.
- The Gospel gives us a counter-script to live by
- Baptism is the sign that we have adopted this new script for our lives.
- Baptism tells us who we are.
We are Christ’s forever..
We are baptized.
