**October Monthly Mission**-Monthly Mission is  
 designated to go towards Imagine No Malaria - Nets  
 Plus . Simply put, malaria kills. Nets can save lives.  
 Some on the harsh realities about malaria:FACT: it is  
 preventable, but causes nearly 500 million illnesses  
 each year and kills more than 1 million of those who  
 become infected. FACT: Ninety percent of the deaths  
 occur in Africa, where the disease is a leading killer of  
 children. Every 30 seconds a child in Africa dies from  
 malaria. FACT: Malaria is the #1 killer of refugees in  
 Africa. 2/3 of the 33 million refugees worldwide live in  
 malaria endemic countries. So, as engaged citizens,  
 what can we do to help? In the poorest parts of the  
 world, window screens are lacking, anti-malaria drugs  
 are expensive, and a malaria vaccine does not exist.  
 Insecticide-treated bed nets in these areas are the most  
 cost effective way to prevent malaria. Bed nets use a  
 simple but effective prevention approach; eliminate  
 contact with mosquitoes, eliminate malaria. Please give  
 what you can to this cause. Thank you for all the  
 prayers and support. Missions/Outreach. **Please use  
 your packet envelope or pew envelope to donate.**
