October Monthly Mission-Monthly Mission is
designated to go towards Imagine No Malaria - Nets
Plus . Simply put, malaria kills. Nets can save lives.
Some on the harsh realities about malaria:FACT: it is
preventable, but causes nearly 500 million illnesses
each year and kills more than 1 million of those who
become infected. FACT: Ninety percent of the deaths
occur in Africa, where the disease is a leading killer of
children. Every 30 seconds a child in Africa dies from
malaria. FACT: Malaria is the #1 killer of refugees in
Africa. 2/3 of the 33 million refugees worldwide live in
malaria endemic countries. So, as engaged citizens,
what can we do to help? In the poorest parts of the
world, window screens are lacking, anti-malaria drugs
are expensive, and a malaria vaccine does not exist.
Insecticide-treated bed nets in these areas are the most
cost effective way to prevent malaria. Bed nets use a
simple but effective prevention approach; eliminate
contact with mosquitoes, eliminate malaria. Please give
what you can to this cause. Thank you for all the
prayers and support. Missions/Outreach. **Please use
your packet envelope or pew envelope to donate.**
